Deputy Director, Central Intelligence
Washington, D. C. 20505

Dear Frank:

Your talk about the world's political situation and the intelligence community to the Keystone State Chapter, AFIO, the other night was the best the organization has ever heard. I hope you overheard the members' comments after the speech. They said a louder and better "thank you" than I could.

We value the opportunities to meet with other concerned Americans to discuss intelligence issues. It was a pleasure for our members to have you with us and to meet your lovely wife.

On behalf of our Chapter, I extend sincere appreciation for your efforts and kindness which contributed to what we consider a very successful evening.

Sincerely,

Emmett E. Welch
